EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Harry L. Sernaker on July 15, 2005.

The application has been amended as follows:

It is noted that reference to the lines in the following claims is taken with respect to the line of the claim containing text and not the line numbers, as numbered by applicant.

In line 13 of claim 1, "surface" has been changed to --surfaces--, to correct a minor grammatical mistake.

In line 20 of claim 1, "end" has been changed to --ends--, to correct a minor grammatical mistake.

In lines 23, 27, and 29 of claim 1, "upper and lower" has been deleted, to correct the lack of antecedent basis.

In line 27 of claim 1, --each-- has been inserted before "said spindle", to make a minor grammatical change.

In line 37 of claim 1, "post" has been changed to --posts--, to correct a minor grammatical mistake.

In line 40 of claim 1, "whole" has been deleted.

The following is an examiner's statement of reasons for allowance:
